

CITY OF ROCKS BIRD CHECKLIST AREA

For City of Rocks National Reserve
Castle Rocks State Park
Almo (Cassia County) Idaho

Bird checklist records maintained by City of Rocks National Reserve include the following defined area:

Traveling clockwise from the 10,339-foot Cache Peak, follow the divide between the watersheds of Green Creek (Elba) and Grape Creek (Almo) to the Jim Sage Mountain crest. Follow the crest south to and through Jim Sage Hollow to the Narrows Road. Travel east on the Narrows Road and then continue west on the EY Road. Follow the EY Road to the Yost Road; turn south on Yost Road and travel to the Idaho-Utah border. Follow the border west to the Junction Valley Road, then travel north (Junction Valley Road becomes the Birch Creek Road). Travel the Birch Creek Road to the junction of Walters Creek, and then follow Walters Creek to the junction of Logger Springs Road (FS 562). Follow FS 562 to the west shoulder of Cache Peak and follow the dividing ridge to the peak. The checklist area contains all of the Almo Creek, Circle Creek, Graham Creek, Edwards Creek, and Grape Creek watersheds. Birds outside the boundary but observed from within or while traveling boundary roads may be counted.
